WINE ACCOMPANIMENT

GUEST WINNER « DOMAINE LA COLOMBE »

OUR PHILOSOPHY

*We are not interested in applying a technique to master life better or to produce better wines;
it is more about being inspired and having confidence
in the living in order to... learn to live!*

This calls for a collaboration between human attention and what nature gives us.
It is a return to observing and understanding nature with its enchanting diversity
and not a simple "laissez - faire" - living wine is not the same as wild wine.

It is about civilized wine, the wine of emotion.
So no more shish-kebab and excessive politeness.

ROOM FOR AUTHENTICITY !

PLEASURE WITH SOUL

WHERE FRESHNESS AND QUALITY ARE GUARANTEED.

FISH

We purchase freshwater fish from certified fishermen or from controlled breeding in Swiss lakes.

BEEF AND VEAL

Our veal and pork meat is provided exclusively by farms in Central Switzerland that are committed to animal welfare. Our Chef knows all the producers personally.

EGGS & CHEESE

Swiss free-range eggs are delivered by our supplier who stands for species-appropriate keeping of the hens and for a careful processing of the products.

We use pasteurised egg products for our desserts and pasta.

Our goat, mountain and alp cheeses come from the Odermatt cheese dairy in Dallenwil and from the Oberberg cheese dairy in Schüpheim in the middle of the UNESCO Biosphere in the Entlebuch.

VEGETABLES & FRUITS

Gmües Mattli in Kastanienbaum, Horw, delivers us seasonal vegetables from rigorous and small-scale cultivation.

In addition, we purchase products from Swiss farming through the company Mundo in Rothenburg.

BREAD

Fine baked goods and bread are obtained from the Bakery Barmettler in Stans.

WATER

Our cooking water comes mainly from the Lake Lucerne.

ALLERGIES / INTOLERANCES

Our staff can provide you with the information regarding the ingredients in our dishes that can cause allergies or intolerances.

MANY DISHES CAN BE ORDERED IN SMALLER PORTIONS.

Please ask our waiting staff for assistance.

DIE ESSVILLA AM SEE
