## WINE ACCOMPANIMENT

---

### GUEST WINNER « DOMAINE LA COLOMBE »

#### OUR PHILOSOPHY

*We are not interested in applying a technique to master life better or to produce better wines;  
it is more about being inspired and having confidence  
in the living in order to... learn to live!*

This calls for a collaboration between human attention and what nature gives us.  
It is a return to observing and understanding nature with its enchanting diversity  
and not a simple "laissez - faire" - living wine is not the same as wild wine.

It is about civilized wine, the wine of emotion.  
So no more shish-kebab and excessive politeness.
