Experience cuisine rooted in culinary authenticity, where regional specialties and seasonal ingredients are brought to life by Marcel Ineichen and his team.

Our spacious and fragrant herb garden inspires the kitchen team each day and reminds us that true enjoyment lies in the quality and freshness of our ingredients. Thanks to close partnerships, we know the origin of all our produce – from fresh lake trout from Meggen, to tender game from Gersauer Berg and risotto rice from the Maggia Valley.

Let our menu suggestions inspire you as you create your perfect menu. We are happy to advise you on selecting your dishes and the beverages that complete them.

We gladly accommodate allergies, intolerances, as well as vegetarian or vegan dietary preferences. For these guests, we prepare an individually tailored alternative to your chosen menu.
